- We have drafted, and will finalize for forwarding to you today, the OSHA discussion points. We will also forward "hard copies" to you via overnight. If you want us to forward copies to anyone else, please advise.
 - We are faxing with this memo a copy of the "Executive Summary of Philip Morris Responses to Federal OSHA's RFI on Indoor Air Pollutants," and we'll forward hard copies to you via overnight.

This is forwarded as a reference document that individuals may find useful as the "OSHA process" unfolds.
